

BRIGHT LED® 10-Year Limited Warranty

BRIGHT LED® guarantees its LED products to be free from material and workmanship defects for **ten (10) years from the date of shipment**, provided that:

- The product was purchased from an **authorized BRIGHT LED distributor**.
- It was installed by a **licensed electrician** in its **original, unopened condition**.
- It is used **within the U.S.** and operated for no more than **12 hours per day** (otherwise, coverage is limited to **45,000 hours or 10 years, whichever comes first**).

What's Covered?

This warranty applies to the **Design XP™, Control XP™, and Contractor XP™ Series**.

What's Not Covered?

- **Improper installation, power surges, overheating, or modifications.**
- **Additional components** like sensors, battery backups, or control devices (these are covered by their own manufacturer).
- **Labor or costs** for removal and reinstallation of defective products.
- **Cosmetic damage** such as paint or finish wear.

Replacement & Claims

If a product is found defective, BRIGHT LED may be repaired or replace it. Approval of replacement costs **must be secured in advance**, or coverage may be voided. If an identical product is unavailable, BRIGHT LED may provide an equivalent replacement.

Limitations

This warranty is **exclusive and replaces all other warranties**. BRIGHT LED is **not liable for lost profits, labor costs, or incidental damage**. The maximum liability is limited to the purchase price of the product.

Warranty terms may be updated, and rights may vary by state.

For claims, follow BRIGHT LED's **Return Material Authorization (RMA)** process.
